

***An Aussie Brand doing what it can,  
to help our Farmers!***

Waking up in Sydney, to what looks like another great day, I can't begin to image how our Drought stricken farmers and their families feel, as they wake to another day of dealing with the challenges of drought.

Richter Audio, a family owned Australian business, wanted to find a way to help our Aussie Farmers. We've decided to make a **\$2 donation to Aussie Helpers for every Richter Digital Radio we deliver** between September 1<sup>st</sup> to December 31<sup>st</sup>, 2018!

That means, there's no better time to look at a Richter Digital Radio. So visit one of these Aussie retailers; Harvey Norman, Officeworks, Radio Parts or online and buy a Richter Digital Radio, because you'll also be providing support to our Aussie Farmers.

Richter, an award-winning Australian Audio brand established in Sydney 1986

For more information on Richter Audio you can visit [www.richter.com.au](http://www.richter.com.au) and for media enquiries, contact Brian Rodgers [office@richter.com.au](mailto:office@richter.com.au) or 0418 863 309
